One Pan Lemon Parmesan Chicken and Asparagus

Lemon Parmesan Chicken and Asparagus

Ingredients

- 1 and 1/2 pounds boneless skinless chicken breasts or tenders
- 1/3 cup flour
- 1 cup panko
- 1 cup parmesan cheese separated
- 1 teaspoon dried parsley
- 1/2 teaspoon garlic powder
- 3-4 lemons
- 1 tablespoon minced garlic
- 8 tablespoons melted butter separated, unsalted
- 1 tablespoon lemon pepper seasoning
- 1 pound asparagus
- 3 tablespoons olive oil
- 3 tablespoons honey
- Optional: fresh parsley, 1 lemon for topping

Instructions

1. Preheat the oven to 400 degrees F. Line a large sheet

pan with parchment paper and set aside.

2. Grab three bowls. Add the flour to one bowl.
3. Combine panko, 1/2 cup freshly grated parmesan cheese, dried parsley, garlic powder, about 1/2 teaspoon each of salt (I use seasoned salt) and pepper. Stir.
4. In the final bowl, add 1-2 teaspoons lemon zest, 4-5 tablespoons lemon juice (depending on lemon flavor intensity desired), minced garlic, and 5 tablespoons melted butter. Stir. Remove 4 tablespoons of this mixture and set aside.
5. Slice chicken breasts to the size of tenders (about 1 and 1/4th inch strips) or use chicken tenders.
6. Coat in flour, heavily dredge in garlic lemon mixture, and then coat in the Parmesan panko mixture.
7. Place on prepared sheet pan. Use any remaining Parmesan panko mixture and sprinkle over tenders. Sprinkle lemon pepper seasoning over the tenders (I use Mrs. Dash lemon pepper)
8. Bake in preheated oven for 10 minutes and remove.
9. Flip the tenders to the other side.
10. Place the asparagus next to the tenders and drizzle the reserved lemon butter sauce. Sprinkle remaining 1/2 cup Parmesan cheese over the asparagus and toss with tongs.
11. If desired place lemon slices over the chicken (optional)
12. Return to the oven and bake for another 10-12 minutes or until the internal temperature of the chicken has reached 165 degrees F.
13. Meanwhile, whisk remaining 3 tablespoons melted butter, 3 tablespoons lemon juice, 1-2 teaspoons lemon zest, 3 tablespoons olive oil, and 3 tablespoons honey in a small bowl. Add some pepper and parsley if desired.
14. Remove from the oven and top with the honey lemon mixture and fresh parsley if desired and enjoy immediately.
15. Do not top chicken breasts with the honey lemon mixture unless eating immediately and aren't planning on having

leftovers since it will make it soggy.

Grilled Chicken Salad with Cabbage and Raspberry Balsamic Dressing

Grilled Chicken Salad with Cabbage and Raspberry Balsamic Dressing

Salad:

1 green cabbage, halved lengthwise and thinly sliced crosswise

2 (9 oz) boneless, skinless chicken breasts

1 1/2 – 2 cups matchstick carrots, or 2 medium carrots cut into matchsticks

1 red bell pepper, cut into small cubes

2 handfuls of croutons (optional for paleo)

1/2 cup cilantro leaves, chopped

3 chopped spring onions, green and white parts

1 teaspoon poppy seeds, toasted

Dressing:

1/4 cup balsamic vinegar

1/4 cup olive oil

1/4 cup chopped spring onions, green and white parts

A handful of raspberries

Marinade:

1/4 cup low-sodium soy sauce
2 tablespoons finely minced ginger
3 tablespoons olive oil
Juice of one lime
2 tablespoons Worcestershire sauce
1 tablespoon toasted sesame oil
1 teaspoon Sriracha
2 – 3 cloves garlic, minced
1 tablespoon honey

DIRECTIONS

For the marinade:

1. In a mixing bowl, whisk together soy sauce, ginger, olive oil, lime juice, Worcestershire sauce, sesame oil, Sriracha, minced garlic and honey.
2. Add chicken breasts to a large resealable bag and add 3 to 4 tablespoons of the marinade mixture, reserving the remaining. Seal the bag and rub the marinade over chicken, then transfer chicken to your refrigerator and let rest at least 30 minutes, or up to 1 day.

For the dressing:

1. Add balsamic vinegar, olive oil, raspberries to a blender and pulse to emulsify the vinaigrette. Add 1/4 cup chopped green onions and whisk to combine. Set aside in the refrigerator.

For the salad:

1. Heat a grill or grill pan over the stove top over medium-high heat. Brush grill lightly with canola or vegetable oil, then place marinated chicken on the grill and cook, about 4 minutes per side, or until chicken has cooked through.

2. Transfer to a cutting board and allow to rest for 10 minutes. Then, cut chicken breasts crosswise into 1/4-inch strips.

To assemble the salad:

1. In a large bowl toss together cabbage, chicken, carrots, spring onions, bell pepper croutons and cilantro with enough raspberry dressing to coat the salad. Add chicken strips, drizzle with additional raspberry vinaigrette and sprinkle with poppy seeds.

Notes: The chicken is flavorful but not very spicy without a good drizzle of the marinade glaze. Reduce the remaining of the marinade in a saucepan. You can then customize the heat of the chicken by adding more or less glaze at the end of grilling.

Breakfast Burritos

Breakfast Burritos

Ingredients

6 low carb whole wheat tortillas

3 medium sweet potatoes

1- 15 oz can black beans, rinsed and drained

1/4 teaspoon cumin

1/4 teaspoon chili powder

few dashes of red pepper flakes, if desired

8 large egg whites

1 avocado, diced

1/2 cup reduced fat shredded mexican or colby jack cheese

1/3 cup red enchilada sauce

Directions

1. Cook sweet potatoes: Pierce sweet potatoes with fork a few times. Place in microwave and microwave on high for 4-6 minutes or until cooked though. This may take up to 10 minutes depending on how thick your sweet potatoes are. Alternatively you can roast them in the oven at 400 degrees for 45 minutes. Once sweet potatoes are cooked, remove the skins and place potatoes in a medium bowl.
Mash with a fork; set aside.
2. In a separate large bowl, add black beans, cumin, chili powder and red pepper flakes if desired. Stir to combine then set aside.
3. In a separate medium bowl, beat egg whites together. Spray a skillet with nonstick cooking spray and place over medium-low heat. Add in egg whites and cook. Fold every few minutes to get fluffy eggs. Once cooked, remove from heat.
4. To assemble burritos, make sure you have warm tortillas; it makes them easier to roll. You can warm them up for 10-20 seconds in the microwave before assembling. Lay out warm tortillas and evenly distribute and spread mashed sweet potato on each. Evenly distribute egg whites, diced avocado, black beans, and shredded cheese on each tortilla. Next drizzle about tablespoon of enchilada sauce in each. Season with salt and pepper, if desired. Tuck ends in, then roll up burritos. To warm up: Place on baking sheet in oven at 300 degrees for 5-10 minutes or simply microwave them for a minute or two. Serve with sour cream, greek yogurt, salsa, or hot sauce. Makes 6 burritos.
