

# Having a hard time finding that perfect parking space?

## No Problem!

## Catch a Ride on our Trolley!

Our trolley runs every Saturday from 8:30AM - 12:30PM in the months of May, June, July, August, September, and October. Park your car behind the truck court, outside of the congestion, and hop on the trolley. We will bring you to each of the sheds and then back to your car with all of your treasures!

### See you at the Market!
